It seems probable that the Chinese Agents as well as getting names wrong, were given false names deliberately to mixited, particularly of warships Use of Shima in bit of name is possibly error for wheel symbol & gr i @commonly used by Chinese to indicate ship Identification system MCF exce Tailoa tools Merchard Ships wardine versa and postwar for explanation of nomenclature. (M=Mast, K = Kingpost, F = Funnel) Kowloon (Kyuryu) Docks = Hong Kong & Whampoa Dock Co, Kowloon Docks
